

Christmas Celebration at SCMCH&RI

Christmas has long been celebrated as a sacred occasion, marked by fervent prayers, exuberant celebrations, and a deep sense of joy across the world. For Christians everywhere, it is a time of anticipation, with preparations made throughout the year to mark the arrival of this special day.

Bringing the Christmas spirit to the halls of SCMCH&RI, the faculty and students celebrated the festival with pomp and cheer. At Sri Chamundeshwari Medical College and Hospital (SCMCH), our staff and students embraced the festive spirit with enthusiasm. The foyer of the college building was ornamented by a beautifully decorated Christmas tree with stunning ornaments and festive lights, that brought an added sense of joy and cheer to the atmosphere. Students, staff, and visitors were delighted to capture memories, eagerly taking selfies with the Christmas tree. The holiday decorations also included wreaths and lighting and a delightful rendition of the gingerbread house.

Teachers and students gathered in the auditorium to partake in the celebrations which involved cake cutting and distribution to the student body. The entire scene radiated warmth and happiness, symbolizing the true essence of the holiday season.

SCMCHRI extends heartfelt wishes for a “Very Merry Christmas” to everyone, hoping the joy and peace of the season fill your hearts and homes.
