## Highlights of CME

Honorable colleagues and friends, the department of General Medicine at Sri Chamundeshwari Medical College Hospital & Research Institute, Channapatna, has great pleasure in organising a World Tuberculosis (TB) Day. World Tuberculosis (TB) Day is observed annually to raise awareness and accelerate action against the global epidemic, marking the 1882 discovery of the TB bacterium by Dr. Robert Koch. The 2026 theme is "Yes! We Can End TB!", emphasizing country-led, collaborative efforts to turn commitments into action.
