
WORLD ENVIRONMENT DAY 2026 REPORT

On the occasion of World Environment Day 2026, Sri Chamundeshwari Medical College Hospital & Research Institute (SCMCH&RI), Channapatna, organized and participated in an environmental awareness and plantation program at Madanaikanahalli village. The program was organized by the Department of Community Medicine in collaboration with village pramukhs at the premises of Sri Siddarameshwara Temple.

The event witnessed enthusiastic participation from faculty members of SCMCH&RI, Phase III MBBS students, local citizens, and PDO officials. The program aimed to create awareness regarding environmental conservation and promote community participation in green initiatives.

Sri K. Rajanna, Village Head and President of Sri Patalamma Charitable Trust, addressed the gathering and emphasized the importance of preserving and protecting the environment. He appreciated the plantation efforts undertaken in the village, particularly the trees planted along the roadsides, and expressed happiness over the active participation of students in environmental conservation activities. Mr. Mahesh, Member of Sri Patalamma Charitable Trust, was also present on the occasion.

Dr. Pravin G. U., Principal, SCMCH&RI, spoke about the importance of environmental sustainability and highlighted the green initiatives promoted by Respected Chairman Dr. A. C. Shanmugam Sir. Also spoke about the “Ek Ped Maa Ke Naam” initiative by the Department of Environment (Ministry of Environment, Forest and Climate Change), the “One Student One Plant” initiative of RGUHS, and the Organ Donation initiative introduced by Hon’ble Vice Chancellor of RGUHS, Dr. Bhagvan B. C.

Approximately 200 saplings, including flowering plants, sandalwood, raktha chandana, and other varieties, were planted around the temple premises. The program concluded with heartfelt gratitude to the local community for their wholehearted support and cooperation, followed by refreshments for all participants.

We thank all the participants who supported and contributed to the resounding success of the program. Appreciation is also extended to the faculty of the Department of Community Medicine, the Heads of various Departments, and faculty members of other departments for their valuable cooperation and participation. Special appreciation is extended to the Phase III MBBS students for their enthusiastic involvement and active participation, which greatly contributed to the success of the program.
