

Supporting Young Talents in Healthcare Innovation

Sri Chamundeshwari Medical College and Research Institute (SCMCH&RI), Channapatna, under the guidance of **Dr. Pravin G. U**, proudly participated in the **13th Annual Coronation Celebrations of His Holiness Sri Sri Dr. Nirmalanandanatha Mahaswamiji**, the 72nd Pontiff of **Sri Adichunchanagiri Mahasamsthana Math**, during *Vijnatham Utsav-2026*.

On this prestigious platform, our talented students showcased an innovative healthcare model under the theme:

“Shaping the Future of Life: Health and Well-Being – Advancing Universal Health Coverage through Innovation (Arogya)”

Model Presented: *Flex Sensor-Based Assistive System for Paralyzed Patients with Fall Detection*

Project Mentor: Dr. Manjula K. S.

This innovative assistive system is designed to enhance the safety and independence of paralyzed patients by:

- Monitoring movements using flex sensors
- Detecting falls in real time
- Sending alerts for immediate assistance

SCMCH&RI takes immense pride in nurturing young minds, encouraging research, and providing platforms where students transform ideas into impactful healthcare solutions. Supporting young talents today builds the foundation for a healthier tomorrow.

Celebrating Young Achievers at Vijnatham Utsav-2026

Among **250 teams** from diverse domains including Medical, Engineering, Ayurvedic, Nursing, and Allied Health Sciences representing prestigious institutions across Karnataka, our students from **Sri Chamundeshwari Medical College and Research Institute (SCMCH&RI)** made us proud at *Vijnatham Utsav-2026*.

Outstanding Achievement by

Our talented students: **Narendra P, Gagandeep G N, Ullas L S, Preksha K N**

Secured **4th Place** and were awarded a **Cash Prize of ₹7,000** for their innovative project presentation.

Guided by: Dr. Yashaswini M K, Dr. Megha S, Dr. Kruthi B N

This accomplishment reflects SCMCH&RI's commitment to nurturing young innovators, encouraging interdisciplinary research, and empowering students to excel on competitive platforms.

Supporting young talents today shapes the leaders and healthcare pioneers of tomorrow
